

**SPORTS OFFICIALS:  
ENTERING SCORES ON A COMPUTER**

Thank you for using PlanetHS.com to enter scores for the SCHSL. The score entering function of the website has been designed to make the process quick and simple

The first thing you will need to do is to sign in to [www.planeths.com](http://www.planeths.com).

Once you have logged in, you will be asked to update your profile. Make sure the information is correct and CLICK on Update. Once this has been done, CLICK on the My PlanetHS tab on the far left near the top of the screen.

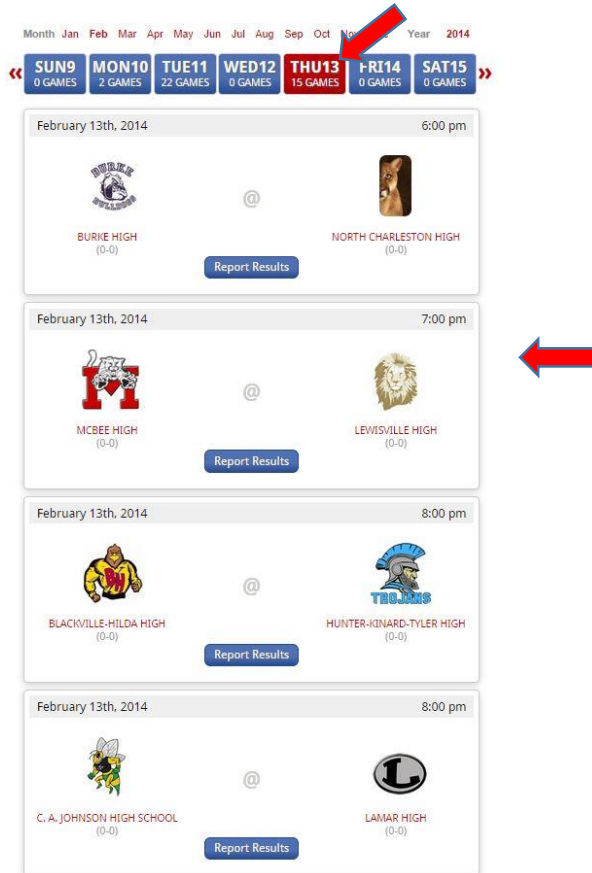

Once you are on your My PlanetHS page, click on the

button.

Once in the scoreboard, simply choose your sport from the pull down menu and select the classification.

Clicking on the month and scrolling to the correct week, click on the day of the game. This will bring up a list of games to choose from. Once you have located the game you are officiating, click on the **Report Results** button.

This will bring up the results entry form.
